Fee Amount	Minimum	20%	40%	60%	80%	100%

Our sliding fees are based on your household income. Select the number of people and income of the household to determine your payment rate. For example, if you qualify at the minimum fee amount your office visit would cost \$20.00 not including lab fees or procedures. If you qualify at the 60% and your office visit was \$85.00 your cost would be \$34.00 not including lab fees or procedures.
